The NCC has subscribed to numerous listservs and publications in order to assist the Networks in sorting through the communications received daily. We currently subscribe to resources from the following organizations:

- Agency for Healthcare Research and Quality (AHRQ)
- American Association of Kidney Patients (AAKP)
- Centers for Disease Control and Prevention (CDC)
- Centers for Medicare & Medicaid Services (CMS)
- National Institute of Health (NIH)
- Nephronline
- National Kidney Foundation (NKF)
- Renal Physicians Association (RPA)
- U.S. Department of Health and Human Services (HHS)
- United Network for Organ Sharing (UNOS)
- U.S. Food and Drug Administration (FDA)

The NCC received messages from the above-referenced sources. Below are articles and newsletters that relate to ESRD.

Please feel free to share this information with your Network staff, facilities, and patients. We welcome your feedback.
