# Join the COVID-19 Webinar Events for People with Kidney Disease

These bi-monthly events feature patient advocates and subject matters experts presenting on timely Coronavirus 2019 (COVID-19) topics and answering your questions.

**Every Other Tuesday 4–5:00 p.m. ET**  
**Visit [www.kidneyCOVIDinfocenter.com](http://www.kidneyCOVIDinfocenter.com).**

Past topics include:

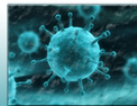

- Using Telehealth to Visit with Your Doctor—  
A Patient’s Perspective
- Maintaining the Kidney Diet in this Environment
- Remaining Connected While Practicing Social Distancing
- Emotional Well-Being for Patients and Family Members
- And More.

*If you miss (or cannot attend) an event, they are available on-demand at [www.kidneyCOVIDinfocenter.com](http://www.kidneyCOVIDinfocenter.com) to watch the recordings.*

## Please register to attend.

- Visit [www.kidneyCOVIDinfocenter.com](http://www.kidneyCOVIDinfocenter.com)
- Click “Webinar Events”
- Select “Click Here to Register”

## COVID-19

Webinar Events

### Have ideas for future topics?

Share them with the End Stage Renal Disease (ESRD) National Coordinating Center (NCC) by emailing [nccinfo@hsag.com](mailto:nccinfo@hsag.com).

### [www.kidneyCOVIDinfocenter.com](http://www.kidneyCOVIDinfocenter.com)

has links to credible sources of information and newly created resources. Visit today.

### [www.TheKidneyHub.org](http://www.TheKidneyHub.org)

This is a new mobile-friendly tool that features important information and alerts from the ESRD NCC and the Kidney Community Emergency Response (KCER). It has links to:

- Patient-developed resources on transplant
- Home dialysis well-being
- Infection prevention
- And more.
